## I had an Attractive Membership as a college student and now my membership has been downgraded, why?

Customer Support - 2020-06-01 - in Billing and Membership

If you are a college student and have an Attractive Membership and was downgraded, it is possible that you changed the email address from your college email to another email such as a gmail account. If this has happened, please reach out to customer support at [support@seeking.com](mailto:support@seeking.com).
