## I'm an Attractive Member. Do you have any tips for finding a Successful match?

Customer Support - 2020-04-24 - in Seeking

It can take time to find a Successful Member who also happens to be a great match -- it typically won't happen overnight. If you're able to put in some time and patience, however, we're confident you'll eventually find the right person for you!

### **An interesting profile is a great place to start**

- **Stay active** -- be sure to log in regularly (or semi-regularly). It helps for others to see that you're available to contact and talk to.
- **Create a detailed description in your profile** -- share more about yourself, what you enjoy, and what you'd like to find.
- **Upload more photos** -- maybe consider switching them up once in a while.
- **Strike up conversation** -- proactively reach out to other members who peak your interest. Don't be afraid to break the ice!
