I paid for a 3 or 6 month membership, but was charged more than I expected.

Customer Support - 2020-04-22 - in SeekingArrangement

All 3 and 6 month memberships are billed up front at the time of the payment. This information is displayed on the payment page before you agree to the charge. The page will display the total amount of the charge as the “amount billed today.” We do not provide full or partial refunds.
